Fall 2017- Days of play discussed. Saturday for all Boys U10-14 and all girls U10-U19. For Boys U15-19 play will be on Sundays. Between managers days of play can be changed if mutually agreeable. Under the new age group changes U15 (2002) will play in the winter season.

For GU15 it was discussed to offer a 6 game dev season in the fall similar to the U10-14 dev season in the spring to give the 8<sup>th</sup> grade girls (and 9<sup>th</sup> graders not playing HS soccer) a place to play. We do not want players participating in both High School soccer and the NPSL Dev league due to risk of injury from over playing. \$75 for the season and play will be on Sundays. **We need to write a statement to put up on the website.**
